Randi Woodward Larsen is a lover of all things that bring joy and wonder to the imagination of children. She loved wishing upon a star as a child. While working as a Disneyland Tour Guide, she witnessed the magic of imagination coming alive in the eyes and hearts of children. She had the joy of bringing that magic alive herself, later in life, as a professional storyteller in the oral tradition. Randi hopes *Moonlight and Wishes* will live in the hearts of children, sparking their imagination, and bringing them hope in their dreams. *Moonlight and Wishes* is Randi's first children's book.
